

REMARKS

This amendment is filed in response to the Office Action dated July 25, 2008. In that Action, the Examiner set forth an election requirement between the species of Claims 10-12 and 25-26, and the species of Claims 19-20 and 31.

Applicants hereby elect the Species I claims, Claims 10-12 and 25-26, for prosecution in this case. Applicants have accordingly deleted Claims 19-20 and 31.

Applicants have made a diligent effort to advance the prosecution of this application by making a timely election and deleting non-elected claims. In view of the amendments herein, the application is believed to be in condition for allowance and a notice to that effect is solicited. Nonetheless, should any issues remain that might be subject to resolution through a telephonic interview, the examiner is requested to telephone the undersigned.

Respectfully submitted,

/Jack V. Musgrove/
